

# Excellence As We Grow Together Virtual Food Service Conference

Join us at the virtual Food Service Conference that will assist with an action plan for the 2022-2023 school year.

The conference is designed for:

- School Cafeteria Staff • Registered Dietitians • Dietetic Technicians • Parents
- Registered School Wellness Teams • PTA/PTO

Additionally, attendees will:

- Gain understanding of an approved school lunch program that meets federal and state guidelines.
- Develop school meal trends throughout the K-12 meal program to increase meal consumption.
- Identify strategies for effective self-care to promote work/life balance and mental wellness.
- Demonstrate understanding of school cafeteria design and trending food service equipment.
- Identify impact of food service sector in creating wasted food and interventions to reduce waste.
- Identify how food service teams and schools play a pivotal role in reducing food waste in communities.
