

FAMILY AND CONSUMER SCIENCES

Gluten Free Eating

Shannon Carter, Extension Educator, Ohio State University Extension, Fairfield County
Family and Consumer Sciences, carter.413@osu.edu, 740-652-7270

Evaluation Instructions

The evaluation tool is a retrospective survey, asking participants to consider their knowledge before attending the program and then again after attending the program.

- If the program is offered as a single lesson, distribute the evaluation survey at the end of the lesson. Ask participants to check the “Single Lesson” box or you can do this before you copy the form.
- If the program is offered as a 3-part series, distribute the evaluation survey at the end of the third lesson. Ask participants to check which of the 3 lessons they attended.

There are 2 versions of the same evaluation. One is a fillable PDF.

1. The evaluation file titled “Gluten Free Program Series Eval” can be printed as is.
2. The document titled “Gluten Free Program Series Eval – Fillable” is a fillable PDF that *before* printing, the educator can complete the following fields: Date, Educator, County & State and check the Single Lesson box, if applicable.

Data collection:

OSU Extension would like to know how this program is making an impact. We would really appreciate it if you could share your evaluation responses with us in one of two ways:

1. Enter individual evaluation responses via online survey [Gluten Free Eating Program Evaluation](#).
2. Send copies of surveys to Shannon Carter via email at carter.413@osu.edu or U.S. mail to

Shannon Carter
