Because of the nature of our train the trainer information and our grant, individuals interested in seeing our power points will need to contact me at Dellifield.2@osu.edu to attend a session, 10-12 more will be offered throughout the state.
Thank you for understanding.

Good Morning,

Thank you for presenting your breakout at the 2017 FCS Conference this week! It was a great success and you were a part of it. I would like others, especially those who weren't able to see your presentations to view them online.

If you would like to share your presentations please let me know and we will place them on the FCS Conference Website.

Thank you again and have a wonderful weekend.
