## About SNAP-Ed

SNAP-Ed is a free nutrition education program serving participants and low-income individuals eligible to receive SNAP benefits or other means-tested federal assistance programs throughout Ohio. Nationally, SNAP-Ed operates in 50 states, plus two territories, and targets individuals (youth and adults), and families. SNAP-Ed is funded by USDA's Food and Nutrition Service and serves in partnership with the Ohio Department of Job and Family Services and Ohio State University Extension in the College of Food, Agricultural, and Environmental Sciences. The goal is to improve the likelihood that families and individuals who receive SNAP benefits will make healthy food choices and choose active lifestyles.
