

# Canning Basics Workshop

## Learn to Preserve Your Summer Harvest Safely

- Basic food safety principles
- Food preservation resources
- How to use a water bath canner & a pressure canner
- Tips on canning fruits and vegetables

**Pressure Canner Gauge Testing** -- Pressure canner gauges should be tested for accuracy each year. Presto provides free testing for the cost of shipping for many canner brands. Contact [contact@GoPresto.com](mailto:contact@GoPresto.com) or 1-800-877-0441. **OR, Drop of your gauge at the Extension office** (120 W. Washington St, Suite 1L, Medina) **before the August 26 class.** We will test it for \$5 (payable at drop-off) and you can pick it up at the class or anytime after. NOTE: weighted gauges do not need tested.

### HIGHLAND LIBRARY

4160 Ridge Rd, Medina 44256

Cost: \$5 per person, payable at door  
Optional gauge testing: \$5

TUESDAY

**AUGUST 25**

6:30 – 7:30 P.M.

Please register at least 3 days prior to class & indicate if you will be bringing a gauge to be tested. Stop in or call the Highland Library at (330) 239-2674.
